DESCRIPTION

High-cut S3S work shoes with upper in PUTEK® PLUS highly resistant to abrasion, water repellent and breathable, designed to ensure comfort and wellness. Wingtex® lining that ensures maximum breathability thanks to the air channels that absorb moisture, leaving the feet dry. Safety is ensured by the super light CompoToe Composite toe cap with reinforcement safety toe cap in PU to ensure maximum protection of the toes and the front part of the foot. The SAFE System puncture-resistant system in composite material ensures the protection of the sole of the foot and is entirely metal free. Winter safety shoes with BOA lace-up closure and special protection of the sole to isolate the foot from the cold, anti-static and anti-slip protection to ensure maximum stability. The sole in PU/PU anti-abrasion and anti-oil is incremented by the anatomic insole and by the LUPOS maxi soft sock liner that ensures long-lasting comfort. Winter work shoes in standard protection S3S CI FO SR, ideal for professions such as carpenter, craftsman, warehouse operator, electrician and work contexts such as logistics and transport.
