

Model: PEAK

Protection Class: S3S CI LG FO SR

Article: 0UT10114

EU Norm: EN ISO 20345:2022+A1:2024

DESCRIPTION

U-Power Peak **safety shoes** are **designed to ensure comfort, safety and strength** in the workplace. The **upper is made of fine, water repellent, pull-up leather**, that is soft and hard-wearing, **with a sturdy TPU support heel**, to ensure stability and protection even in the most difficult conditions. The **FiberToe toe cap** ensures maximum protection without foregoing lightness, while the **Save & Flex® PLUS anti-perforation insole** protects the foot against all risks of perforation plus flexibility and comfort throughout the working day. The PU/ PU Infinergy® **sole provides** excellent **cushioning, impact absorption** and a unique **return of energy**, thus reducing fatigue and improving posture. The **three interchangeable U-Power original insoles** add the finishing touch to this high-performance safety shoe, available in sizes 35 to 49.
