

Model: PEPPER

Article: WST391GJ

DESCRIPTION

Pepper work jeans are the perfect solution for those seeking a durable and comfortable garment without compromising on style.

Crafted from a **stretch cotton and polyester blend**, these jeans offer maximum freedom of movement and outstanding resistance, even under the toughest working conditions. The ergonomic design and raised back yoke ensure an optimal fit, whether you're bending, kneeling, or on the move, for all-day comfort.

The Pepper model stands for functionality and practicality. On the right leg, you'll find a dedicated tool pocket with **ultra-strong loops** and a **fly-style ruler pocket** designed to stay out of your way while you work.

On the left leg, a multifunctional Velcro pocket and a zipped side pocket allow you to organize and protect your personal belongings and tools with ease. Additional features include a practical **hammer loop**, a **badge holder ring** attached to the reinforced front right belt loop, and a central **YKK zipper**—renowned for its reliability and long-lasting performance.

Choose Pepper jeans to combine durability, comfort, and functionality in a single, high-performance workwear garment.
