

Model: POLKA

Article: GUG00024

DESCRIPTION

U-Power certified level **D cut-resistant safety gloves**, ideal for protecting **against mechanical and thermal hazards**. **Made with 18 needles**, they offer high grip performance and **excellent tactile sensitivity**, facilitating precision work. The **U-Bubble nitrile nano-foam technology** uses safe materials, offering **exceptional grip performance** preventing the gloves from stiffening or cracking in the cold. **Ideal for glass, sheet metal, metal, oil, heavy construction, fishing, waste and automotive industries**. The **convenient Nylon stretch cuff** ensures a comfortable fit during prolonged use. Moreover, they are **touch-screen compatible**, allowing the use of smartphones and tablets without having to remove them. Available in packs of 12 and 144 pieces (GUG14424).
