

PRAGA

WIN454BC

DESCRIPTION

This Soft Shell work jacket, made from mechanical stretch fabric, offers comfort and freedom of movement. Breathable, windproof and water-repellent, it is designed for outdoor work.
The two zipped front pockets provide space for small personal items. The zip-off hood and sleeves make the jacket versatile and adaptable to different needs. The pre-shaped sleeves ensure an optimal fit, while reflective inserts at the elbows help improve visibility. An adjustable drawcord, adjustable cuffs and a shaped hem complete the design for a comfortable, personalised fit.

TECHNOLOGIES

SIZES

S-5XL

COMPOSITION

100% Mechanical Stretch polyester with TPU membrane, 310 g/m^2.
