

Model: RAMPANT

Article: WMP437NB

DESCRIPTION

The RAMPANT U-Power multi-risk Polo is an essential and functional version designed for those working in high-risk environments without the need for additional visibility. Made of modacrylic fabric with intrinsic and permanent protection, it offers certified resistance against heat, flame and electric arc, while maintaining a clean and professional look.

The garment features an FR rib collar and cuffs, double-layer placket with covered buttons and embroidered flame-retardant pictograms, elements that guarantee safety, comfort and durability. RAMPANT is ideal for those looking for a minimalist, reliable FR polo shirt suitable for everyday use in industrial environments.
