

Model: RAMROD

Article: WMP252NO

DESCRIPTION

The RAMROD U-Power quadrivalent trousers are made of treated cotton, designed to offer certified protection against flame, heat and arc flash, combining safety and everyday comfort in a versatile and durable garment.

Featuring a YKK nylon zip and invisible button closure, it has an elasticated waistband and raised back band to protect the lumbar region during movement. The functional design includes a large cargo pocket with FR Velcro closure and reflex detail, front pockets with FR buttons and a back pocket with FR Velcro closure. Printed flame-retardant pictograms and FR silicone logo complete the garment, making RAMROD ideal for work environments that require reliable protection and prolonged comfort.
