

Model: ROMA

Article: WIN230GI

DESCRIPTION

This highly functional **U-Power work coverall** is ideal for professionals seeking both comfort and reliability. **Made of poly-cotton mechanical stretch fabric**, it offers the perfect blend of **flexibility** and **durability** - allowing free movement and optimal resistance, even during the most demanding tasks. Engineered for **maximum practicality**, the coverall is **machine-washable at 60°C**, ensuring easy maintenance and excellent hygiene. **Multiple pockets** - including a Velcro-fastened chest pocket, two front pockets, two Velcro-fastened back pockets and a side tape-measure pocket - provide ample storage for essential tools. A loop with a badge ring and a pen pocket add further functionality. The Roma coverall guarantees superior comfort with its **elasticized waist and cuffs**, as well as pre-shaped knees that follow the natural curvature of the legs. Triple stitching ensures long-lasting durability, while the **central closure with a YKK zip** covered by a Velcro flap offers both protection and convenience. **Perfect for those working in dynamic environments**, this work coverall is designed to meet every professional need. The product is available only in a single-piece lot (code IN230) and a 10-piece lot (code CY230).
