

Model: ROOT ESD

Protection Class: S3S CI SC LG FO SR

Article: 0UT20104

DESCRIPTION

Root safety shoes from U-Power's Red Fit line are designed to meet the requirements of **anyone who works in difficult** and challenging **environments**. The **water repellent, pull-up leather upper** provides **softness** and **strength**, guaranteeing dry feet even in wet conditions or rain. The **PU extra-strong front reinforcement** increases the durability of the footwear while providing added protection in the toe area against accidental impacts. Safety at work is ensured by the **FiberToe toe cap** and the **Save & Flex® PLUS anti-perforation insole** that protects from impacts and punctures while keeping the shoes light and comfortable. The PU/PU abrasion resistant, oil-resistant, non-slip and anti-static sole provides maximum grip and stability. **Three interchangeable U-Power original insoles** are included in the box for added **customisation of the fit** and daily comfort. Available in sizes 35 to 49, this **low-cut footwear** is the ideal choice for dynamic workers who require performance, safety and comfort in all situations.
