RUMBA

GUG00023

DESCRIPTION

U-Power's Rumba **work gloves** offer superior **protection against mechanical and thermal hazards**, **rated C-cut resistant**. Made with an **18-needle finish**, these gloves provide high grip performance and excellent tactile sensitivity, ideal for precision work. The **stretch Nylon cuff** ensures a **comfortable fit during prolonged use**, while the touch feature allows the use of smartphones and tablets without having to remove the gloves. The **U-Bubble nitrile nano-foam technology** uses safe materials to ensure continued softness and flexibility even in the cold, preventing the gloves from stiffening or cracking. These gloves are perfect for works in the glass, sheet metal, metal, oil, heavy construction, fishing, waste and automotive industries. Available in packs of 12 and 144 pieces (GUG14423).
