DESCRIPTION

Low-cut safety shoes with special **protection of the sole from the cold** (At temp. ≤ 10 °C.), ideal for damp environments and cold climates. **Super light safety footwear** with **water repellent**, innovative, Nubuck-effect microfibre upper in ultra-light latest-generation PU mix which significantly reduces the weight of the footwear while ensuring maximum grip and adherence. **Non-slip, anti-abrasion, anti-oil** and **antistatic sole**. The all-fabric Save & Flex Air **anti-perforation system** and **AirToe Aluminium toe cap** guarantee protection of the foot while the inner U-Power Original **insole with antibacterial, anatomic** and **self-modelling properties**, together with the Wingtex® air tunnel **ultra-breathable lining** ensure healthy feet and **prolonged comfort**. **Safety shoes for electricians, carpenters, artisans, warehouse workers, transport & logistics** with sizes from 35 to 48, suitable for both men and women.
