

SAMBA

GUG00018

DESCRIPTION

Samba are the **U-Power work gloves** offering effective protection against mechanical and thermal hazards with **B cut resistance**. Featuring a **15-needle finish**, these gloves provide an improved sense of touch, facilitating precision work. The **PU-FOAM coating** ensures **excellent dexterity and breathability**, preventing hand perspiration and making them **ideal for** works in **logistics**, **construction**, **service** and **manufacturing**, and **automotive** industries. The **stretch Nylon cuff** ensures superior comfort during prolonged use, while the **touch feature** allows the use of smartphones and tablets without having to remove the gloves. **Perfect in both wet and dry environments**, Samba gloves combine protection, comfort and high performance, making them the ideal choice for professionals looking for reliability and precision. Available in packs of 12 and 144 pieces (GUG14418).
