

SEAL

0PU80015

DESCRIPTION

The **wellington boot** designed by **U-Power** for anyone looking for comfortable, light footwear, without the need for a protective toe cap. The **PU SOFT shaft** is **strong** but **flexible**, perfect for anyone who does a job that requires freedom of movement. The **inner polyester lining** ensures good breathability and **keeps your feet fresh and dry** throughout the day. The **sole**, manufactured with innovative **spray technology**, is made of compact polyurethane with outdoor tread to provide grip and stability, even on challenging surfaces. Seal is available in a wide range of sizes, from 35 to 48, and is **ideal for** less hazardous, but nevertheless **dynamic working environments**.

MIDSOLE

U-Power original

SOLE/TREAD

Compact polyurethane, spray injection -
Outdoor tread

ANATOMICAL INSOLE

Natural Confort 11 Mondopoint

FIBERTOE TOE CAP

Made from fibreglass to provide high mechanical resistance to impact and crushing. Weighing approximately 52 grams, it offers thermal insulation, flexibility and comfort, whilst keeping the footwear lightweight and safe.

U-POWER ORIGINAL

Anatomical footbed with arch support structure made from a soft dynamic BASF compound. It features self-moulding properties designed to evenly distribute body weight pressure across the sole of the foot, reducing pressure points and optimizing dynamic comfort.
