

SHETLAND

WEY394GM

DESCRIPTION

The **Shetland** work shirt is the perfect blend of comfort, functionality, and style.

Made from **soft microfleece**, this **half-zip** pullover is an essential and versatile garment—ideal as a mid-layer on colder days or on its own during the transitional seasons. Its lightweight construction provides excellent thermal insulation without compromising freedom of movement. Elasticated cuffs and hem ensure a snug, comfortable fit, helping to retain body heat while adapting to your every move. The colorful zip teeth add a touch of character to the design, making this shirt both distinctive and practical in any work setting.

Choose Shetland for a look that combines comfort, performance, and style—always ready when you are.
