SIRIUS

WHL306YF

DESCRIPTION

Sirius is the **U-Power high-visibility work trouser** that combines performance and safety, designed to deliver maximum comfort and durability during long workdays. **Made of polyester/cotton** with a moleskin-effect finish, this winter-ready garment features a **central closure with a zip** and an anti-scratch rubberized button for added longevity. A reinforced back yoke offers extra lumbar protection, and a soft plastic D-ring near the side pocket adds practical utility, letting you attach work tools as needed. Triple stitching ensures superior resistance to everyday wear and tear. Elastic inserts at the waist provide a comfortable fit and total freedom of movement. Pre-shaped knees follow the natural curvature of the legs, making these trousers ideal for intensive work. Sirius is designed for maximum functionality. **Two large front pockets**, Velcro-fastened **back pockets** with flaps and a **multifunctional side pocket** with Velcro offer ample storage for work tools. There is also a **tape-measure pocket** and reflective tape on the rear loop for improved visibility and workplace safety. These trousers maintain their comfort and visibility features for **up to 50 washes**. The product is only available in lots of 1 piece (code HL306) and 20 pieces (code CY306).
