

Model: SOLARIS

Article: WFU344GG

DESCRIPTION

The U-Power Solaris **bermuda cargo trousers** combine functionality, comfort, and durability in a **practical, contemporary design**. Made from **stretch polyester/cotton ripstop fabric**, they offer exceptional **freedom of movement, wear resistance** and **breathability, perfect for summer work**. Elastic inserts at the waist and a scratch-resistant button with zip closure ensure a secure, comfortable fit, while the accentuated rear yoke provides extra lumbar support. Designed for maximum convenience, the Solaris bermuda features multiple pockets: **two spacious front pockets, two zippered back pockets** and **two multifunctional side pockets**. One side pocket includes a concealed badge holder, while the other has a vertical zipper in a contrasting color, adding a distinctive touch. Additional functional details include a **hammer loop** and a **reflective tape** on the back loop for improved visibility in low-light conditions. Reflective logos, including the “lion’s head” and “U-Power,” combine style and safety, rounding out the modern design. Solaris is a versatile garment crafted to meet all your needs on even the busiest workdays.
