

Model: STRIDE

Protection Class: S3S SC CI LG FO SR

Article: 0UT10104

EU Norm: EN ISO 20345:2022+A1:2024

DESCRIPTION

Stride safety shoes from the Red Fit line provide the **ideal combination of protection, comfort and strength**, perfect for anyone who tackles dynamic and challenging jobs every day. The **water repellent, pull-up leather upper** with PU extra-strong reinforcement ensures maximum durability and protection from wear and impacts. The **FiberToe toe cap** and **Save & Flex® PLUS anti-perforation insole** guarantee all-round safety from impacts and punctures, while keeping the shoe ultra-comfortable and light. The **PU/PU abrasion resistant, oil-resistant, non-slip** and **anti-static sole** ensures stability even on difficult ground. The **three interchangeable U-Power original insoles** included in the box allow you to customise the fit and comfort. These **U-Power work shoes** are perfect for anyone who works in logistics, maintenance and production, or in industries that call for continuous movement and long periods standing up, ensuring comfort, safety and maximum performance whatever your job.
