DESCRIPTION

U-Power **technical work socks** offering elevated **comfort** and performance thanks to **PowerFit technology**, which combines **graduated compression** and **fatigue-reducing properties** for proper blood circulation. Equipped with **ankle support bands** and polypropylene ventilation channels, they ensure optimal stability and **breathability**. Flat seams under the toe prevent friction, while the **Cordura®-reinforced heel and toe** provide increased durability over time. Perfect for tackling long workdays with comfort and resilience. The product is available in a two-piece lot.
