

**Model:** SYLVIE s ESD

**Protection Class:** S3S CI FO SR

**Article:** 0RN20134

**EU Norm:** EN ISO 20344:2021

## DESCRIPTION

**Women's safety shoe** with **upper** made of soft **water repellent**, **tumbled microfibre** and **reinforced toe cap** made of polyurethane for greater protection and long-lasting footwear. The style, with its innovative signature **Made in Italy design**, ensures comfort and lightness thanks to the soft white **calfskin lining** which accommodates the foot from the toe to the heel. The new **U-Power Original insole** with leather base and lower section, made of a new polyurethane compound, ensures **balance** and **correct weight distribution**. **Lightweight work shoes** with Infinergy® midsole which ensures a **high return of energy**: over 55% with every step! **Safety footwear** with Airtoe Aluminium **toe cap** and Save & Flex Plus **puncture-proof fabric system**, sewn directly onto the upper, to ensure 100% protection of the sole of the foot. **Sole** made of **abrasion-resistant**, **non-slip**, **anti-oil** and **anti-static** compact PU. **Safety shoes** with **hydrocarbon-resistant** sole and special **protection from the cold** (At temp.  $\leq 10^{\circ}\text{C}$ .). The ideal **work footwear** for use in the **logistics** and **automotive** field.
