DESCRIPTION

The **U-Power wellington boot** with a pared-back design, perfect for anyone working indoors or on even surfaces. The **PU SOFT shaft** ensures **flexibility** and **strength**, naturally accompanying every movement of the foot. The **polyester lining keeps your feet dry** through its ability to aid breathability. The **compact polyurethane sole** is manufactured with spray injection technology and has a **light tread** that reduces the weight of this footwear without compromising stability. Available in sizes from 35 to 48, it is the ideal choice for anyone looking for comfort and practicality in their everyday work.
