

VEGA

WHL304YF

DESCRIPTION

The Vega **summer work trousers** by U-Power are the ideal solution for those who need both **visibility** and **comfort**. Made from a durable 50/50 **cotton/polyester fabric**, they are designed to withstand even the toughest work conditions. The central closure features a zip and an anti-scratch rubberized button for reliable performance. For added protection and comfort, Vega has **reinforcements at the lumbar area** with an accentuated rear yoke, plus **elastic inserts** at the waist to ensure total freedom of movement. Pre-shaped knees facilitate natural joint movement, while triple stitching enhances overall strength. Vega is highly functional and practical, equipped with **two roomy front pockets**, **two** Velcro-fastened **back pockets** with flaps, a **multifunctional side pocket** and a **tape-measure pocket** - all thoughtfully placed to keep work tools organized. A **reflective tape** on the rear loop **ensures greater visibility** in low-light environments, increasing on-the-job safety. These trousers are designed to **last up to 50 washes**, preserving both their technical features and comfort. The product is only available in lots of 1 piece (code HL304) and 20 pieces (code CY304).
