

VISERYYS ESD

ORT20104

DESCRIPTION

The Viserys from the Red Stratos range are low-cut safety shoes designed for those who work intensively even in difficult conditions. With protection class S3S CI HI HRO FO ESD SR, they offer an ultra-lightweight NanoFiber toecap, metal-free perforation protection and PUTEK® star upper that is resistant, breathable and water-repellent, ideal even in cold seasons. The high-grip, heat- and hydrocarbon-resistant outsole guarantees stability on demanding surfaces, while the breathable lining and anatomical U-Power Original footbed ensure prolonged comfort throughout the working day, perfect for industry, logistics and technical environments.
