DESCRIPTION

U-Power **long work socks** designed to deliver **performance**, **comfort** and **durability**. Thanks to the graduated compression **PowerFit technology**, they **promote proper blood circulation**, **reduce fatigue** and ensure optimal thermoregulation. Equipped with **ankle support bands** and polypropylene ventilation channels, they provide **freshness** and **breathability** throughout the entire day. The flat seams under the toe enhance comfort, while anti-wear reinforcements on the heel and toe guarantee long-lasting durability. Perfect for those seeking reliable technical socks, ideal even in demanding work conditions. The product is available in a two-piece lot.
