APEX

0UL20026

DESCRIPTION

Apex features a high abrasion resistant PUTEK® PLUS upper, water resistant and breathable. The 3D mesh lining ensures superior breathability and moisture wicking.
The AirToe® aluminum safety toe cap provides maximum protection with a streamlined shape. The U-Power original footbed delivers all-day comfort and support. The direct-attach dual-density PU sole with Infinergy® midsole offers cushioning and energy return and is slip, oil, and abrasion resistant. Static Dissipative SD 35 rated. Available in black/slate, sizes 3.5–12, 13, 14, U-niversal Fit width.
