

ARROW MF

UL20266

DESCRIPTION

Arrow safety shoes deliver lightweight protection and all-day comfort for demanding work environments. The **ultra-breathable AIRNET upper** with **soft suede** enhances airflow and flexibility, while the **3D mesh lining** keeps feet cool and dry through effective moisture wicking. The **metal-free AirToe® Composite safety toe** provides reliable protection without added weight. The **dual-density PU sole with Infinergy® midsole** offers superior cushioning and energy return, with **slip, oil, and abrasion resistance**. **SD 35 static dissipative rated**. Available in **black/black, sizes 3.5–14, U-niversal Fit width**.
