DARK MF

0UL20186

DESCRIPTION

Dark features a soft suede upper with textile inserts. The 3D mesh lining ensures superior breathability and moisture wicking.
The AirToe® composite safety toe cap is metal free. The U-Power original footbed provides everyday comfort and support. The direct-attach dual-density PU sole with Infinergy® midsole delivers cushioning and energy return and is slip, oil, and abrasion resistant. Static Dissipative SD 35 rated. Available in black/slate, sizes 3.5–12, 13, 14, U-niversal Fit width.
