

**Model:** Neon MF

**Protection Class:** I/C SD35 SRO

**Article:** 0UL20146

## DESCRIPTION

Neon features a soft suede upper with textile inserts. The 3D mesh lining ensures superior breathability and moisture wicking. The AirToe® composite safety toe cap is metal free. The U-POWER original footbed provides everyday comfort and support. The direct-attach dual-density PU sole with Infinergy® midsole delivers cushioning and energy return and is slip, oil, and abrasion resistant. Static Dissipative SD 35 rated. Available in charcoal/orange, sizes 3.5-12, 13, 14, U-niversal Fit width. Interchangeable black laces included.
