

**Model:** Tempest MF

**Protection Class:** I/C EH SRO

**Article:** 0UL10154

## DESCRIPTION

Tempest features a soft nubuck water resistant leather upper. The 3D mesh lining ensures superior breathability and moisture wicking.

The AirToe® composite safety toe cap is metal free. The footbed in soft polyurethane dynamic compound provides all-day comfort and support. The direct-attach dual-density PU sole with Infinergy® midsole delivers cushioning and energy return and is slip, oil, and abrasion resistant. Electrical Hazard rated. Available in black/black, sizes 3.5-12, 13, 14, U-niversal Fit width.
