

TEMPEST MF

0UL10154

DESCRIPTION

Tempest features a soft nubuck water resistant leather upper. The 3D mesh lining ensures superior breathability and moisture wicking. The AirToe® composite safety toe cap is metal free. The footbed in soft polyurethane dynamic compound provides all-day comfort and support. The direct-attach dual-density PU sole with Infinergy® midsole delivers cushioning and energy return and is slip, oil, and abrasion resistant. Electrical Hazard rated. Available in black/black, sizes 3.5-12, 13, 14, U-niversal Fit width.

UPPER

Soft nubuck water repellent leather

LINING
