

Model: **ALICANTE s ESD**

Article: 0RI10026

Protection Class: S1 PS FO SR

EU Norm: EN ISO 20344:2021

DESCRIPTION

Quick release **high safety boots** with soft perforated **suede** upper and mesh inserts. Comfort is ensured by the presence of the **WOW2 footbed** and WingTex **air channel lining**. The inner footbed, composed of a self-molding arch support structure and **an anti-fatigue insert**, is able to cushion stress and evenly distribute body weight, ensuring **prolonged comfort throughout the day**. **Men's work shoes** also ideal for a female audience with **non-slip**, **oil-resistant**, **anti-abrasion** and **anti-static PU/PU soles**. **Safety footwear** with AirToe **composite toe cap** and **textile Puncture resistance** system to protect the toe and 100% of the sole of the foot. **Comfortable and lightweight safety shoes** suitable for: **craftsman**, **carpenter**, **electrician**, **plumber**, **painter**, **gas station attendant**, **laborer**, **bricklayer**, **transportation & logistics**, **gardening** and **agriculture**, **mechanic** and **tire repairman**.
