

Model: ALTAIR

Article: WHL305YF

DESCRIPTION

The Altair **work bermuda shorts** from U-Power is the ideal choice for those looking for a comfortable and functional garment without sacrificing safety on the job. Made of durable **50/50 cotton/polyester fabric**, it features a central zipper closure and rubberized scratch-resistant button for excellent fit and durability. The Altair style is **designed for optimal protection** with **reinforcements in the lumbar area**, thanks to the accentuated back yoke, and **triple stitching** that increases strength. **Elasticized inserts** in the waistband ensure a perfect fit and total freedom of movement, offering maximum comfort throughout the workday. Functionality and practicality are ensured by the **numerous pockets**: two large front pockets, two back pockets with flap and Velcro, a multifunctional side pocket and a ruler pocket, all designed to optimize the organization of work tools. In addition, **reflex tape** placed on the rear tubular loop **improves visibility** in dimly lit environments. With excellent durability that allows **up to 50 washes**, this work bermuda is the ideal choice for those seeking comfort, functionality and safety. The product is available in 1-piece (code HL305) and 20-piece (code CY305) lots only.
