

Model: **ALYX ESD**

Article: RE20134

Protection Class: S3S CI HI HRO FO SR

EU Norm: EN ISO 20345:2022+A1:2024

DESCRIPTION

Alyx is a **low-top safety shoe** designed to provide **comfort** and **safety** with a touch of style. The **Nubuck-effect microfiber upper** is **water-repellent** and wear-resistant, providing all-day protection and comfort. The **Fibertoe toe cap** protects the foot, while the **ultra-lightweight anti-puncture footbed** prevents puncture hazards. **Totally metal free**, Alyx provides a lighter fit all day long. The **EVA and blue rubber outsole** not only **provides excellent grip**, but also adds a modern, dynamic detail. It is the ideal choice for complex work environments.
