

ARRYN ESD

ORT10124

DESCRIPTION

The Arryn from the Red Stratos range are safety shoes designed for those working in demanding, cold environments. With protection class S3S HI HRO FO ESD SR, they offer an ultra-lightweight NanoFiber toecap, metal-free perforation protection and PUTEK® star upper that is durable, breathable and water-repellent. The high-grip sole resists heat and oil, while the anatomical lining and footbed provide comfort and extended support, with integrated ESD protection for electrostatic safety.

UPPER

Putek Star high tenacity, water-repellent, breathable
