

Model: **ASH**

Protection Class: S3S CI LG FO SR

Article: 0UT20114

EU Norm: EN ISO 20345:2022+A1:2024

DESCRIPTION

U-Power's **Ash safety shoes** from U-Power are designed to provide safety, comfort and versatility throughout the workday. The **upper made of premium water-repellent pull-up leather** offers exceptional **strength** and **softness** , ensuring maximum **durability** . These work shoes feature the **lightweight** yet highly **protective FiberToe toe cap** and a **Save & Flex® PLUS anti-puncture footbed** that **provides flexibility** and **safety** during every movement. The **TPU heel counter** supports and **stabilizes the foot** , improving posture and reducing fatigue. The **Infinergy® PU/PU outsole returns energy with every step** , significantly reducing fatigue. Plus, with the three different U-Power original footbeds included, you can customize the fit by choosing the one that best suits your foot. Available in a wide range of sizes from 35 to 49, these **low-top safety shoes** combine style and safety for demanding professionals.
