ATENE

WIN229GI

DESCRIPTION

Atene is a **U-Power work overalls** ideal for those seeking durability, comfort and functionality. **Made of mechanical stretch poly-cotton fabric** , it offers **flexibility** and **strength** even in the most intense working conditions. **Washable at 60°,** it is easy to maintain and provides a high level of hygiene. The design includes a large **front zippered pocket** , **two front pockets** , **two back** pockets with Velcro, a side **ruler pocket** and webbing with badge holder loop, ensuring space and organization. With adjustable suspenders, an elastic waistband and double side adjustment, it offers a custom-made fit. Pre-shaped knees follow the natural curvature of the legs for optimal comfort, while triple stitching ensures durability. The atene overalls is a versatile, durable and functional garment perfect for meeting any work challenge with confidence and practicality. The product is available in 1-piece (code IN229) and 10-piece (code CY229) lots only.
