

ATOM LADY

WPE145GF

DESCRIPTION

Women's work pants made of **U-4 fabric** that gives **maximum freedom of movement** due to its ability to follow the body's movements in 4 directions simultaneously.
U-4 Way Stretch fabric is very **comfortable** and **gentle on the skin** . **Tear-resistant** , **water-repellent** , highly **breathable** and **quick-drying women's work pants** . This style of **women's work pants** is very functional with several pockets: **two** large **front pockets** , side **tool pocket** , **multifunctional** side **pocket** with **concealed badge holder** , **two back pockets** , one with flap and one with Velcro security closure. In addition, **Atom work pants** have a **side pocket** and a **right front pocket** , both with zippered closure. Central YKK zipper closure with rubberized scratch-resistant button. The waist is elasticized with innovative concealed adjustment system to ensure an **optimal fit** , while the **accentuated back yoke** enhances lumbar protection and comfort. **Reflex tape** on the rear tubular loop improves visibility and safety. This style of **women's stretch pants** are **ideal** for **the winter season** and especially for: **construction site** , **transportation and logistics** , **gardening and agriculture** , indoor work such as **warehouse worker** , **craftsman** , etc. The **atom** style also features **triple stitching** .
