DESCRIPTION

Men's water-repellent work trousers made of **U-Power 4-way stretch** fabric, an innovative fabric that follows the body's movements, providing excellent freedom of movement. Thanks to this feature, the fabric is extremely **comfortable** and **soft against the skin**, while being **durable** and highly **resistant**.
Comfortable work trousers with high **breathability** and **quick-drying** properties. Central fastening with YKK zip and scratch-resistant rubberised button.
This model of **regular-length work trousers** features **triple stitching**.
The **numerous pockets** ensure functionality and practicality: **two** large **front pockets**, one side **tool pocket**, **two zipped pockets**, one **multifunctional side pocket** with concealed **badge holder**, **two back pockets**, one with a zip and one with a secure Velcro fastening, and **two knee-pad pockets** with easy access. All pockets are made of durable 600D polyoxford.
Elasticated waistband with an innovative retractable adjustment system.
Stretch work trousers with an **elasticated waistband** featuring an innovative concealed adjustment system, a **pronounced back yoke** for greater protection of the lumbar area and **reflective tape** on the rear tubular belt loop.
Work trousers ideal for **plumbers**, **mechanics**, **warehouse workers**, **bricklayers**, **gardeners**, **farmers**, **installers**, **carpenters** and **electricians**.
Knee protection certified **PPE CAT. 1 - EN ISO 13688:2013, EN 14404:2004+A1:2010 WITH KNEE PAD ART. GC061BC (TYPE 2 – LEVEL 1)**.

COMBAT

Anti-abrasion reinforcement system at the bottom of trousers, protecting against wear when in contact with abrasive surfaces.
