

BEA

WHL223OF

DESCRIPTION

High-visibility work jacket with detachable sleeves made of stretch fabric **that converts into a high-visibility vest.** The style has **two bellows pockets** at the bottom and **a vertical chest pocket** . In addition, there are **two additional inside pockets** with mesh pouches. The style is an extremely functional and comfortable **high-visibility jacket** due to its **dual use** as a **jacket** or a **vest** . The **bands** on the torso, arms and shoulders are segmented, heat-sealed and **reflective** so as to provide protection and visibility to the worker while performing his or her duties. The fit is optimized by the **drawstring waist and on the cuffs** that can be adjusted with Velcro. The style is available in Yellow Fluo, Orange Fluo and Red Fluo.
