

BIOKO

WFU288BB

DESCRIPTION

Waterproof work pants with **waterproof** side **zippers** that allow for easy donning. **Waterproof work pants with graphene** applied on the inner side that allows active interaction between fabric and body to enable **intelligent thermoregulation** and promote even heat distribution throughout the body. Thanks to the graphene fabric, these **thermoregulating** , all-weather **work pants** ensure excellent **bacteriostatic** and **odor-control properties** . **Work pants with** pass-through front **pockets** closed with **waterproof zipper** and **elastic waistband** with adjustable Velcro closure at the bottom. Reflective **"U-Power" logo** print on right leg Velcro webbing and **" U-Supremacy" print** on the bottom of the left leg. **Men's work pants** ideal for: **construction** and **construction sites** , **service** and **industry** , **transportation** and **logistics** , **farmers** , **gardeners** and **craftsmen** . **Bioko** matches the **Tutendo** rain shell.
