

Model: BREAK

Article: WHY354BC

DESCRIPTION

The **Break** work jacket is designed to give you freedom of movement and comfort in any situation.

Made of a durable **cotton/polyester stretch** fabric , it provides a comfortable fit and breathable construction to keep you comfortable during intense activities. Durability is a strong point: thanks to 600D poly oxford inserts at the points of greatest wear, this jacket is tough and designed to last.

The central zipper closure covered by a Velcro flap makes it practical and reliable. You can customize the fit by adjusting the bottom hem and cuffs with **rubberized snap buttons** .

Break is a multi-pocket jacket that ensures great functionality and practicality. It has two large front pockets closed with a flap and Velcro, ideal for storing your personal items safely.

On the chest you'll find a flap and Velcro **cell phone pocket** , which includes a convenient retractable **badge holder** , and a pocket with pen compartment to keep everything handy. For extra safety, the design is enhanced with **reflex inserts** on the upper chest and back, which increase your visibility in low-light conditions.

The Break jacket is the perfect choice for those looking for a reliable, comfortable and functional garment to meet any work challenge.
