

CLOSE

WHL389YF

DESCRIPTION

U-Power's Close polo shirt combines comfort, safety and sustainability. Made of 55 percent cotton and 45 percent recycled polyester fabric, it provides softness against the skin, strength and durability, with attention to the environment.

Heat-sealed segmented bands offer maximum visibility, following the body's movements without stiffness. UV certified, it is ideal for outdoor workers looking for a garment that combines style, functionality and protection.

Maximum number of washes: 50. The product is available in lots of 3 pieces.
