

COZY

GUG00030

DESCRIPTION

Technical glove with HPT coating - Comfort, grip and protection even in extreme conditions. Outer lining: Nylon and Spandex for elasticity, light weight and snug fit.
Inner lining: Warm acrylic, ideal for working even in low temperatures. Lining: PVC with **HPT** (Hydropellent Technology) **treatment** - **water-repellent** surface that provides excellent grip even in oil, water or snow.
15-needle mesh: High density for greater **tactile sensitivity** and comfort. Touch screen: **Compatible with digital devices** , so work is not interrupted.
Certifications: Oeko-Tex® product, safe for skin and free of harmful substances.
Recommended activities: **Fishing** and **activities in wet or cold environments** , **Food industry** , **Logistics** and **goods handling** , **Construction** and **outdoor work** , **Gardening** and **outdoor maintenance** .
The style is available in packs of 12 and 144 pieces (GUG14430).
