

CURSA

WHL318OF

DESCRIPTION

Cursa is the **U-Power work jacket** designed to ensure comfort, safety and high performance in all weather conditions. Made **of stretch softshell fabric** that is **breathable** , **windproof** and **water-repellent** , it provides optimal protection against the elements without sacrificing freedom of movement. **Reflective bands** applied to the torso and sleeves **increase visibility** , making it ideal for working in low-light environments. The central zipper closure and adjustable, detachable hood offer versatility and practicality, adapting to different work needs. The Cursa jacket has **two large front** bottom zippered **pockets** , **a** right-side **chest pocket** also zippered, and **two inside pockets** , providing plenty of space for storing tools and personal items. Stretch fabric cuffs ensure a perfect fit and added comfort during use. Due to its durability, it **guarantees up to 25 washes** without losing its qualities. The product is only available in batches of 1 piece (code HL318) and 10 pieces (code CY318).
