

DENIS

0PU80010

DESCRIPTION

U-Power safety boots designed to offer maximum protection and superior comfort. The **PU SOFT cuff** features flexibility and strength, making the boot **lightweight** yet extremely **durable** , ideal for tackling long work days. The **polyester lining** ensures constant breathability and freshness. The presence of the FiberToe **fiberglass toe cap protects toes from impact** and **crushing** , while the ergonomic steel lamina protects the sole of the foot from punctures while maintaining lightness and comfort. The compact polyurethane **outsole with spray-injection technology** offers **superior grip** with an outdoor tread pattern, ideal on uneven and slippery surfaces. Available in sizes 35 to 48.
