

DIADEM

WHL377YF

DESCRIPTION

The **Diadem** work vest is the perfect solution for those looking for a garment that combines practicality and maximum visibility. The **two-color** design not only sets you apart, but also helps improve your safety in the workplace. Functionality is at the heart of this multi-pocket vest. The two large flap pockets on the bottom give you room for bulky items, while the **cell phone** pocket and pen pocket on the chest keep your tools close at hand. For even more practicality, the vest features a badge holder window, a "**D**" shaped hook and a fabric loop, ideal for attaching a radio microphone. Safety is ensured by **reflective bands**, applied vertically and horizontally, which ensure maximum visibility even in low-light conditions. This vest is designed to withstand up to 25 washes, keeping its technical and comfort qualities intact.
