

Model: ERYON

Article: WMP387YF

DESCRIPTION

U-Power's Eryon Vest is a multi-hazard garment designed to ensure safety and practicality on the job. The extra-long FR Velcro front closure allows it to cover two sizes and fit quickly over any workwear.

Heat-sealed, FR-certified reflective bands ensure maximum visibility, while integrated loops allow for attaching communication devices or detectors. Lightweight, durable and functional, the Eryon vest is ideal for safe operations and maintenance.
