

FANTOM s ESD

ORN10074

DESCRIPTION

Work shoes featuring an **innovative design** in which **high-quality materials** combine to make a designer work shoe that is safe and comfortable to wear every day. **Fantom** is a style of high safety shoes with **high tenacity**, **water-repellent**, **breathable PUTEK® CAP** upper with polyurethane reinforcing toe cap and **soft white calfskin lining** that wraps around the foot like a sock extending from toe to heel. Work shoes that are slip-resistant and highly comfortable for the foot because they feature an **anatomical**, **antibacterial** and **breathable U-Power Original footbed** in soft white calfskin and **Infinergy® system for an optimal energy return of more than 55%** with each step increasing comfort and well-being every day. **CI protection for cold insulation** of the bottom of the shoe. Attractively designed safety shoes that provide maximum safety and protection with **AirToe Aluminium toe cap** for toe and forefoot protection. The **Save & Flex® PLUS** Puncture resistance **system** is **totally no metal** and consists of an anti-puncture footbed that ensures total protection of the entire sole of the foot by being sewn directly to the upper.
