

**Model:** FELIS

**Article:** WHL319YF

## DESCRIPTION

The U-Power Felis **half-zip work sweatshirt** is designed to provide safety, comfort and practicality in any work context. Made **of gauzed polyester**, it provides **softness**, **durability** and excellent **thermal insulation**. Featuring reflective bands positioned on the torso and sleeves, interrupted at the hips to improve comfort and facilitate movement, it **ensures maximum visibility** even **in low-light conditions**. The practical half-zip facilitates temperature regulation and makes the garment extremely versatile. The lap sleeve adds a modern, functional fit, while stretch rib cuffs and hem with riveted seams ensure stability and durability. Felis sweatshirt is durable and practical, **lasting up to 25 washes** without compromising performance. The product is available in 1-piece (code HL319) and 25-piece (code CY319) lots only.
