DESCRIPTION

Fitz is the safety **shoe** that combines safety and bold design. The **laser-worked stretch U-KNIT upper** offers all-day comfort and flexibility, adapting naturally to the foot. Equipped with a **Fibertoe toe cap**, Fitz is completely **metal free**. The ultra-lightweight puncture-resistant footbed protects against puncture hazards. The **yellow EVA and rubber outsole** adds a touch of personality without compromising grip and durability. Fitz is perfect for those who work in technical environments but want to stand out.
