

Model: FLUX ESD

Article: 0RV20384

DESCRIPTION

Flux is U-Power 's innovative style of **safety shoes with BOA® Fit System** , designed to provide a fast and secure fit, **perfect for those who need convenience and comfort** during long work days. The **water-repellent Nubuck-effect microfiber upper** protects the foot from moisture and liquids, while maintaining optimal comfort even in the harshest work conditions. Equipped with an **AirToe Aluminum toe cap** and **an ultra-lightweight anti-puncture footbed** , these lightweight work shoes offer **maximum protection against impact and punctures** , ensuring safety and peace of mind on the job. The slip-resistant outsole, made of a new-generation PU compound, is lightweight and oil-resistant, making these shoes ideal for dynamic environments such as warehouses, transportation, logistics and general craft work. **Flux shoes combine safety , practicality and a modern design** to tackle work with style and peace of mind.
